

Annual Memberships

Observer Member

Observers are there to express their support for our vision for a better DeFi simply by showing up, spreading the good news, and giving us a financially helpful hand through the membership fee.

They can attend any events for free and are informed of any publications in advance so they can contribute to them, comment, and debate them before publication.

The list of all observers is published on the website.

Individuals: USDC 200

Small Entities (teams of up to 10 or in the pre-seed stage): USDC 2'000
